MEMORANDUM

TO: Licensed Child Care Providers

FROM: Office of Child and Family Services

DATE: May 15, 2020

SUBJECT: Child Care Application Fees

The Office of Child and Family Services made a decision to use Child Care Development Block Grant (CCDBG) funds to support child care providers by waiving child care licensing fees for family child care providers, center-based child care providers, nursery schools and for any new child care providers statewide.

Beginning July 1, 2020 and continuing through June 30, 2022, your next application fee will be paid through the Child Care Development Block Grant. Any license that expires as of July 1, 2020 will not be assessed an application fee. Application fees must be submitted with a renewal application for licenses that expire before July 1, 2020.
